JUDGMENT

The grievance of the petitioner is that no proper action has been taken on Ext.P1 complaint submitted by her to the police.

2. Notice was given to the learned Public Prosecutor. The learned Public Prosecutor, after taking instructions, concedes that Ext.P1 complaint has been received by the respondents; but submits that no separate crime was registered as the investigation into the grievance raised in Ext.P1 complaint is taken in by Crime No.284/07 registered at the Peechi Police Station. Investigation is in progress for the offence punishable under Secs.447 and 427 read with Sec.149 of the IPC in the said crime. That complaint is filed by the mother of the petitioner. Altogether two coconut trees were cut down. One is in the property of the petitioner and the other is in the property of her mother. Inasmuch as the

investigation in so far as the grievance raised by the petitioner is going on in the said crime, no separate crime has been registered. The learned Public Prosecutor submits that the grievance of the petitioner is also being investigated into and a proper and efficient investigation shall be conducted into Crime No.284/07 which will take in the grievance raised by the petitioner in Ext.P1 also.

3. I am, in these circumstances, satisfied that the submissions of the learned Public Prosecutor can be accepted. The same are taken note of and recorded. The grievance raised by the petitioner in Ext.P1 will receive the attention and necessary action in the course of investigation into Crime No.284/07 referred above. No further directions are necessary.

4. This writ petition is, in these circumstances, dismissed.
